

Clearmark Partners Named “Top Guns” Manager for Q2 2018 by PSN / Informa Investment Solutions

New York — August 24, 2018 — Clearmark Partners has been awarded “Top Guns” status by Informa Investment Solutions’ PSN manager database, North America’s longest running database of investment managers. Achieving a Top Guns distinction means a product is among the top 10 performers in its investment category. Both of Clearmark’s separately managed account strategies, Aggressive Growth Equity and Fixed Income, were awarded Top Guns distinctions for various periods ending June 30, 2018.

“PSN Top Guns, which ranks products in nine categories in over 50 universes, is a go-to resource for institutional asset managers and investors in their decision-making process,” said Ryan Nauman, VP, product and market strategist at Informa Financial Intelligence. “Congratulations to Clearmark on being named a PSN Top Gun. This highly respected ranking spotlights the performance of leading investment managers each quarter.”

“We are honored to once again receive recognition for the consistent performance of both our products,” said George Koo, CEO & CIO of Clearmark. “We are very pleased that both our equity and fixed income strategies were top performers for the third consecutive quarter. Our disciplined investment approach served us well during a challenging quarter. Most importantly, we are grateful for the trust, confidence, and support that our clients have provided us. We look forward to delivering sustainable value to our clients over time.”

Top Guns firms must be GIPS compliant and verified by an independent auditor and accounting firm. For the period ending June 30, 2018, Clearmark’s distinctions include:
